## FROM THE DIRECTOR

As spring blossoms across Norfolk, I'm delighted to present our Spring Good Times Course Guide, packed with exciting programs and activities for every member of our community. This season brings a wonderful opportunity to embrace the warmer weather, learn new skills, and connect with neighbors as nature reawakens.

*Darrell R. Crittendon, Director*

Join our popular spring athletics programs, showcasing youth outdoor soccer and cheerleading. Adults can also enjoy competitive volleyball, softball, and basketball in our evening leagues. While the Norfolk Fitness & Wellness Center undergoes construction, our popular fitness and wellness programs are on the move! We're excited to continue offering a wide range of activities for all ages and abilities, with everything from high-energy body sculpt classes to accessible chair aerobics and beginner boxing sessions. No matter your fitness goals or interests, we've got you covered during this transition period.

Our comprehensive dance program offers classes in ballet, hip hop, jazz, tap, and modern dance for students of all ages and skill levels. Complement your dance education with our music program, featuring both individual and group instruction in voice, piano, and brass instruments. Take advantage of our lineup of arts classes this season, featuring a diverse range of creative opportunities, including pottery, stained glass, painting, drawing, printmaking, and more. We've significantly expanded our open studio hours, giving you more flexibility to work on personal projects with access to our professional-grade facilities and supportive community of fellow artists. Special events this spring include our award-winning EGGs-Treme Egg Drop, where thousands of eggs fall from the sky into your waiting hands, and our popular Family Game Nights and exciting March Madness tournaments.

None of these programs would be possible without your active participation, and on behalf of the entire department, I'd like to thank you for your support. **Remember to GET OUT AND PLAY!**
